

Join Calgary's EFW Radiology Ultrasound Team! Hiring Day on April 6th, 2019

EFW Radiology provides comprehensive diagnostic and interventional imaging services in Calgary and the surrounding areas. We perform more than 600,000 imaging procedures, consultations, second opinions, and studies every year. We are community focused and have been proudly serving our community for more than 40 years.

ULTRASOUND TECHNOLOGIST HIRING DAY DELTA HOTELS BESSBOROUGH, SASKATOON APRIL 6TH 2019 10:00 am – 4:00 pm

EFW Radiology Calgary is looking to hire both experienced Ultrasound Technologists and students currently enrolled in a Diagnostic Sonography program.

Our Vision:

We strive to deliver healthcare with compassion, earn the trust of referring physicians, and provide careers with meaning.

Our Core Values:

Compassion, Trust and Meaning

EFW Offers Its Employees

- A friendly, professional state of the art working environment
- An opportunity for technologists to perform a wide variety of examinations
- A teaching environment with on-going continuing education through seminars, conferences, and on-line courses
- An opportunity to have a career with meaning and opportunity for growth
- An extraordinary total rewards package that includes RRSP matching, signing bonuses and a relocation allowance
- Fun employee events including an annual Holiday Party, Family Movie Day, and tickets to exciting events such as the Calgary Stampede
- An opportunity to give back by working with community partners including the Enbridge Ride to Conquer Cancer

What to Bring:

Attending EFW Radiology's hiring fair will provide you an immediate opportunity to meet and interview with our Operation Leaders to discuss our available positions in detail.

- An updated copy of your cover letter and resume
- To pre-book an interview email careers@efwrad.com with your details.

Visit our website (<http://efwrad.com/>) for more information about EFW Radiology. **We want you to join our team!**
